FAYSHAL KARAN ATHILLA

Unity Game Programmer / Game Developer

Malang, East Java | +62 812 3250 5308 | faykara.official@gmail.com | https://fayshal-dev.vercel.app

PROFILE SUMMARY

Informatics Engineering graduates with a focus on game development, have 6 months of industry experience in the development of 2D educational games for toddlers and preschoolers, especially in the implementation of gameplay mechanics and game feel improvements in Unity, as well as experience collaborating in the development of features in 3D entertainment games. Supported by cross-field experience in administration and secretarial, graphic design, and data analysis that form an adaptive, structured, and collaborative way of working.

WORK EXPERIENCE

Unity Game Programmer — Funtasya World *May 2026 – Present*

- Develop various gameplay mechanics for toddler and preschool educational games, including drag-and-drop systems, line connectors, and answer selection using Unity.
- Improve game feel and playing experience through the implementation of 2D animation, scene transitions, sound effects (SFX), particle VFX, and background music (BGM).
- Collaborate on the development of features in 3D entertainment games, including the integration of new characters and their implementation into the system and gameplay mechanics.
- Participated in a two-day intensive collaboration on the development of a WebGL-based 2D educational game for a game development competition with the project "Manual Brewing Coffee".
- Took a course and certification program during the internship to deepen your 2D and 3D game development competencies at Unity, covering various gameplay styles (Zuma-style, supermarket simulator, FPS, 2D platformer, 3D RPG, memory card flip, point-and-click, 3D vertical shooter), lighting, and development on Roblox.

EDUCATION

Informatics Engineering — Universitas Darussalam Gontor (GPA: 3.78) *May 2023 – Aug 2026*

General & Religious — Pondok Modern Darussalam Gontor (Final Score: 8.97) *June 2017 – Apr 2023*

EXPERTISE

Game Development (Unity, C#) • Game Design • Graphic Design • Data Analysis • Analytical Skills • Administration • Microsoft Office • Teamwork • Communication • Presentation Skills

CERTIFICATE

Unity Creative Core — Unity Learn *Aug 2025 – Present*

Little Adventurer: Learn To Make a 3D Action Game With Unity — Udemy *Sep 2026 – Present*

Unity Essentials Pathways — Unity Learn *May 2025 – Present*

Unity: Beginner to Advanced – Complete Course — Udemy *Feb 2026 – Present*

Google Play Store Listing — Google Play Academy *Jul 2026 – Jul 2029*

Learn Math for Data Science — Dicoding Indonesia *Apr 2026 – Apr 2029*

Learn Data Science Application — Dicoding Indonesia *Apr 2026 – Apr 2029*

Learn the Fundamentals of Data Analysis — Dicoding Indonesia *Feb 2026 – Feb 2029*

Learn the Basics of AI — Dicoding Indonesia *From 2025 – From 2028*

Learn Machine Learning for Beginners — Dicoding Indonesia *Nov 2025 – Nov 2028*

Learn the Basics of Structured Query Language (SQL) — Dicoding Indonesia *Sep 2025 – Sep 2028*

Financial Literacy 101 — Dicoding Indonesia *Sep 2025 – Sep 2028*

Learn the Basics of Data Science — Dicoding Indonesia *Sep 2025 – Sep 2028*

Getting Started with Python — Dicoding English *Sep 2025 – Sep 2028*

Pursuing a Career as a Software Developer — Dicoding Indonesia *Apr 2025 – Apr 2028*

Learn to Create Android Apps for Beginners — Dicoding Indonesia *Nov 2024 – Nov 2027*

Get Started with Kotlin — Dicoding Indonesia *Oct 2024 – Oct 2027*

AWARDS & INTELLECTUAL PROPERTY WORKS

- Silver Medalist, Student Level English Competition — National Science Championship Center (PUSKANAS), Dec 2023
- Intellectual Property Rights — Arabic Gamification for Islamic Elementary School (ARGIES), Dec 2025
- Intellectual Property Rights — WarisMate: Web Application for Easy and Accurate Calculation of Islamic Inheritance, Dec 2025
- Intellectual Property Rights — FUNLISH: Learn English with Games, Dec 2025
- Intellectual Property Rights — FUNLISH Game Handbook: Third Person Shooter-Based English Learning, Dec 2025
